*"Our Caramel chocolate
– a fan-favourite since
2017 – with milk chocolate,
soft warm butter caramel
& sea salt from the
Camargue"*

FINEST ARTISAN CHOCOLATES

Our fresh chocolates are made by hand from high-quality cocoa. Refined with exquisite ingredients such as fresh fruits, crunchy nuts and elegant spices.

We love to embrace the natural flavours of the cocoa. That's why we include chocolates with pure origin cocoa – e.g. cocoa from Panama or Peru, paired with the filling that accents the individual bouquet of the cocoa.

For the best taste, we only use pure cocoa butter & natural flavours.

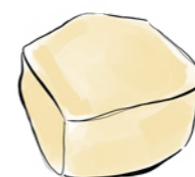

Discover our Christmas assortment with delectable pear & cinnamon, handmade 'Vanillekipferl', baked Christmas apple, spicy speculoos-crumble paired with fruity oranges, sweet Paris-Brest mousse, tender violet tea, heavenly rich pistachio-cream, velvety caramel with fresh Sudachi lemon, and aromatic coffee.

Chocolate with homemade Vanillekipferl.
